EXTRAS

MUSIC

When you have reserved a space for your event, there are different music options available.

We always have Latin background music, but you can also choose your own music by connecting your phone or laptop to our system. This is, of course, completely optional.

You can also leave the music to our professional in-house DJ (€550 for the whole evening), who will ensure that every party is a success. If you would like to bring your own DJ, we are open to discussing possibilities.

OTHER EXTRAS

There are countless ways to make your event even more special, so let your creativity run wild and think about what would best suit you and your guests. Below are a few fun options:

A live connection with someone abroad on a big screen can be a fun way to connect someone to the party, especially if they are unable to be physically present.

A spectacular light show can also be a great way to liven up the atmosphere and grab the guests' attention.

Decorating the location with flower arrangements from a local florist can be a nice touch to make the party even more special.

Being picked up and dropped off by a party bus or a classic city bus can also be a fun way to start or end the party.

A photobooth can be a fun way to make memories of the party and to get guests laughing.

MEETINGS

Why hold meetings on the beach? A change of environment can help increase creativity and productivity. The beach is inspiring and relaxing. A day at the beach is also a fun and relaxing way to promote team building. By working together on beach activities, employees can get to know each other better and improve their teamwork.

Mango's Beachbar is just a 3-minute walk from Zandvoort train station. Parking is also available around the corner. And let's be honest, who doesn't love a beautiful and relaxing environment to hold a meeting? The beach can help reduce stress and improve the atmosphere. So why not consider holding your next meeting on the beach?

We charge a fee per half-day for the rental of the spaces. Additional equipment can also be rented.
