THE ZOMBIE 16.5

Let us zombify you! We begin in Cuba, with "El Ron de Cuba" Havana Club Especial, which brings a fruity complexion to our blend. Then we head to the oldest rum distillery in the world, in Barbados! Mount Gay Eclipse adds vanilla, banana and slightly burnt notes. Last but not least, we sail to Guyana's Demerara River for El Dorado 12 Years full-bodied, rich in fruit and spice. Now let's talk fruit: pineapple, passion fruit, hibiscus and red berries. But we didn't stop there! A touch of grapefruit and mint completes the mix.

Warning! We advise you to drink a maximum of 2 zombies, if you don't want to turn into a zombie yourself! Enjoy!
